Golisano Library 24 Hour Area Use Policy

After Library hours, the 24 Hour Study Area is available only to current Roberts Wesleyan College and Northeastern Seminary students. This Area includes both the Study Café and Computer Lab and is accessible by student ID card swipe.

The 24 Hour Study Area is not to be used for sleeping or as storage space for excessive personal belongings.

In order to promote campus safety, all students must have their student ID card on their persons. Students are not permitted to allow entry for members of the public. Students may bring their children; however, under no circumstances should they be left unattended.

Students who do not have their ID card will be asked to leave.
