Golisano Library

Golisano Library 24 Hour Area Use Policy

After Library hours, the 24 Hour Study Area is available only to current Roberts Wesleyan College and Northeastern Seminary students. This area includes both the Study Café and Computer Lab and is accessible with RWC / NES ID card swipe.

The 24 Hour Study Area is not to be used for sleeping or as storage space for excessive personal belongings.

In order to promote campus safety, all users must have their RWC / NES ID card on their persons. Students are not permitted to allow entry for members of the public or other users. Students may bring their children; however, under no circumstances should they be left unattended.

Users who do not have their ID card will be asked to leave when the library closes.
