Golisano Library BOARD GAME POLICY

The B. Thomas Golisano Library has established a board game collection in order to promote the idea of the library as a place for fun-infused learning.

Board games can be checked out from the Resource Desk for in-library use for 6 hours at a time. If returned late, a fine of \$.25 per hour will be applied to the patron's account. Games may be renewed.

Respectful use of the games is expected, along with the return of all pieces when finished.

Games may be played in any area of the Library that is not a designated quiet area.

Student organizations may take the board games out of the library for events by making prior arrangements with Morgan Ramos, Access Services Assistant, who can be contacted at ramos_morgan@roberts.edu or 585.594.6044.
